

## TERMS AND CONDITIONS

### Entry Submission

- Please ensure that you answer each section of the Entry Form.
- A minimum of two and a maximum of four supporting documents with a maximum file size each of 350MB can be submitted, such as images, video, brochures, media releases and letters of support.

### Condition of Entry

- Applications must be received by **5pm Tuesday 1 May 2018**.
- The project must have been conducted in South East Queensland which includes the area from the Queensland/New South Wales border, north to Noosa and west to the Great Dividing Range.
- The project must have produced results between 1 January 2017 and 31 December 2017. Entries can be supported with a foundational body of work initiated in years prior to 2017.
- Entries for the Lifetime Achievement Award must show contribution and dedication to natural environment protection over a minimum of three years, with a demonstrated portion of volunteer commitment.
- Entries for the Youth Environment Champion Award must show a contribution and dedication to the protection of natural environments over a period of more than one year.
- Past entrants and winners are eligible to reapply in 2018, provided their submission relates to work conducted between 1 January and 31 December 2017. Past winners of the Waterways Champion/Lifetime Achievement Award are not eligible to reapply for this award.
- Information and images contained in the application or supplied as video footage may be reproduced in Healthy Land and Water's promotion and publicity materials.
- Entries and all supporting documents will not be returned to entrants.
- Entries are judged by an independent panel of industry experts and their decision is final.
- An organisation or individual can only enter a project once and in one category.
- An organisation or individual can enter more than one project in various categories.
- Winners of all categories are eligible to receive the Minister's Grand Prize and winnings are encouraged to be spent in ways that support environmental work in South East Queensland.
- Healthy Land and Water reserves the right to amend these conditions of entry in administering these awards.
