

Native vegetation & fire management planning workshop | Laidley

Following the fire and vegetation management information night, Healthy Land and Water and the Queensland Fire and Biodiversity Consortium (QFBC) are teaming up with the Lockyer Valley Regional Council, the Queensland Fire and Emergency Services and the Queensland Rural Fire Service to deliver a **free** mapping and planning workshop at Laidley.

Landholders will have the opportunity to learn more about the management of fire and will receive support in developing property maps and management plans for their properties. Morning tea and lunch will be provided. Morning tea and lunch is provided.

Topics will include:

- Property mapping.
- Property plan development.
- Fire management planning advice.
- Managing weeds, pests, grazing and erosion.
- Native vegetation and the plants and animals it supports.

For more information contact Bruce Lord on bruce.l@hlw.org.au or 0427 013 284 or Craig Welden on craig.w@hlw.org.au or 0437 726 279.

Saturday 12 June
9am – 3:30pm

Mulgowie Hall | Corner of Beckman
Road & Mulgowie Road
