

Native vegetation & fire management planning workshop

Following the fire and vegetation management information night, the Queensland Fire and Biodiversity Consortium (QFBC) and Healthy Land and Water are teaming up with Ravensbourne and District Landcare, Toowoomba Regional Council and the Rural Fire Service to deliver a mapping and planning workshop.

Landholders will have the opportunity to learn more about the management of fire and will receive support in developing property maps and management plans for their properties. Morning tea and lunch will be provided.

Topics will include:

- Property mapping.
- Property plan development.
- Fire management planning advice.
- Managing weeds, pests, grazing and erosion.
- Native vegetation and the plants and animals it supports.

For more information contact Samille Loch-Wilkinson on samille.lw@hlw.org.au or 0400 910 128.

Saturday 17 April 2021
9am – 4pm

Perseverance Hall – 10 Perseverance Hall Rd, Perseverance
