

Design Certificate for Erosion and Sediment Control

The design certificate is to be completed and signed by a suitably qualified person (CPESC or similar qualification, and RPEQ), and submitted to Council with the detailed erosion and sediment control plan, and erosion and sediment control plan checklist, prior to commencement of works.

1. Development details			
Development name:			
Street address/location:			
Approval number(s):			
2. Details of suitably qualified person			
Name:		RPEQ number:	
		CPESC number (or proof of equivalent qualifications):	
Company name:			
Postal address:			
Suburb:		State:	Postcode:
Email:		Phone:	
3. Criteria			
Drawing number(s) and title(s):			
Document details (e.g. for reports):			
Certification	Yes	No	N/A
Are the erosion and sediment control plans and associated design and calculations in accordance with the conditions of approval?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If answer is no to any of the above, provide details of alternative measures employed to comply with conditions of approval and <i>Environment Protection Act 1994</i> . Use a separate sheet if necessary.			
4. Certification			
I certify that the plans and associated documents were completed by myself, or under my direct supervision, and I am suitably qualified and experienced to provide such certification. The information submitted is, to the best of my knowledge and belief, true, accurate and complete.			
I acknowledge and accept that Council, as the administering authority relies, in good faith, on this certification as part of its development approval process and that the provision of false or misleading information to Council constitutes an offence against the <i>Planning Act 2016</i> .			
Certifier's signature:			Date:
